

Leo Days as Elvis

Tribute To Elvis

About

Leo Days performs a tribute to Elvis Presley built on long-term study of the voice, look, and stage mannerisms that defined The King of Rock and Roll. His connection to Elvis's music started in 1983 after seeing a television performance of If I Can Dream as a 3-year-old in Michigan, and that early impact grew into a lifelong focus on Elvis's songs and films.

In live performance, Leo Days sings live and also plays piano and guitar, giving buyers an Elvis tribute that is grounded in both vocals and musicianship. The show centers on delivering the feel of Elvis through the details that audiences recognize most.

Leo has performed thousands of shows across weddings, corporate events, theaters, cruise ships, casinos, and music festivals. For the past ten years, he has worked with Legends in Concert, the longest running show on the Las Vegas Strip, and has been cast in all of the Legends venues including Foxwoods Resort and Casino, Branson, Myrtle Beach, Hawaii, and Las Vegas.

He was also part of the first cast to board the Norwegian Epic Cruise Ship. From 2010 to 2015, he toured the United States with Onstage Entertainment's Elvis Lives Tour. In 2015, he headlined his own Waikiki production, Burn'n Love, which was rated #1 on TripAdvisor during its run on the island.

Leo was also selected by Cirque Du Soleil to portray Elvis in Viva Elvis, and trained one-on-one in Montreal with the cast and creators of the show. For buyers looking for a proven Elvis tribute with

substantial stage experience across private events, theaters, cruise work, and destination entertainment markets, Leo Days is easy to place and quick to understand.
